

Duration: 24 hours

A Tiny Beast of your choice that you can see within range must succeed on a Charisma saving throw, or it attempts to deliver a message for you (if the target's Challenge Rating isn't 0, it automatically succeeds). You specify a location you have visited and a recipient who matches a general description, such as "a person dressed in the uniform of the town guard" or "a red-haired dwarf wearing a pointed hat." You also communicate a message of up to twenty-five words. The Beast travels for the duration toward the specified location, covering about 25 miles per 24 hours or 50 miles if the Beast can fly.

When the Beast arrives, it delivers your message to the creature that you described, mimicking your communication. If the Beast doesn't reach its destination before the spell ends, the message is lost, and the Beast returns to where you cast the spell.

Using a Higher-Level Spell Slot. The spell's duration increases by 48 hours for each spell slot level above 2.

Animal Shapes

Level 8 Transmutation (Druid)

Casting Time: Action

Range: 30 feet

Components: V, S

Duration: 24 hours

Choose any number of willing creatures that you can see within range. Each target **shape-shifts** into a Large or smaller Beast of your choice that has a Challenge Rating of 4 or lower. You can choose a different form for each target. On later turns, you can take a **Magic** action to transform the targets again.

A target's game statistics are replaced by the chosen Beast's statistics, but the target retains its creature type; Hit Points; Hit Point Dice; alignment; ability to communicate; and Intelligence, Wisdom, and Charisma scores. The target's actions are limited by the Beast form's anatomy, and it can't cast spells. The target's equipment melds into the new form, and the target can't use any of that equipment while in that form.

The target gains a number of **Temporary Hit Points** equal to the Beast form's Hit Points. The transformation lasts for the duration for each target, until the target has no Temporary Hit Points, or until the target leaves the form as a Bonus Action.

Animate Dead

Level 3 Necromancy (Cleric, Wizard)

Casting Time: 1 minute

Range: 10 feet

Components: V, S, M (a drop of blood, a piece of flesh, and a pinch of bone dust)

Duration: Instantaneous

Choose a pile of bones or a corpse of a Medium or Small Humanoid within range. The target becomes an Undead creature: a **Skeleton** if you chose bones or a **Zombie** if you chose a corpse (see appendix B for the stat blocks).

On each of your turns, you can take a Bonus Action to mentally command any creature you made with this spell if the creature is within 60 feet of you (if you control multiple creatures, you can command any of them at the same time, issuing the same command to each one). You decide what action the creature will take and where it will move on its next turn, or you can issue a
