

Antimagic Field

Level 8 Abjuration (Cleric, Wizard)

Casting Time: Action

Range: Self

Components: V, S, M (iron filings)

Duration: **Concentration**, up to 1 hour

An aura of antimagic surrounds you in 10-foot **Emanation**. No one can cast spells, take **Magic** actions, or create other magical effects inside the aura, and those things can't target or otherwise affect anything inside it. Magical properties of magic items don't work inside the aura or on anything inside it.

Areas of effect created by spells or other magic can't extend into the aura, and no one can teleport into or out of it or use planar travel there. Portals close temporarily while in the aura.

Ongoing spells, except those cast by an Artifact or a deity, are suppressed in the area. While an effect is suppressed, it doesn't function, but the time it spends suppressed counts against its duration.

Dispel Magic has no effect on the aura, and the auras created by different Antimagic Field spells don't nullify each other.

Antipathy/Sympathy

Level 8 Enchantment (Bard, Druid, Wizard)

Casting Time: 1 hour

Range: 60 feet

Components: V, S, M (a mix of vinegar and honey)

Duration: 10 days

As you cast the spell, choose whether it creates antipathy or sympathy, and target one creature or object that is Huge or smaller. Then specify a kind of creature, such as red dragons, goblins, or vampires. A creature of the chosen kind makes a Wisdom saving throw when it comes within 120 feet of the target. Your choice of antipathy or sympathy determines what happens to a creature when it fails that save:

Antipathy. The creature has the **Frightened** condition. The Frightened creature must use its movement on its turns to get as far away as possible from the target, moving by the safest route.

Sympathy. The creature has the **Charmed** condition. The Charmed creature must use its movement on its turns to get as close as possible to the target, moving by the safest route. If the creature is within 5 feet of the target, the creature can't willingly move away. If the target damages the Charmed creature, that creature can make a Wisdom saving throw to end the effect, as described below.

Ending the Effect. If the Frightened or Charmed creature ends its turn more than 120 feet away from the target, the creature makes a Wisdom saving throw. On a successful save, the creature is no longer affected by the target. A creature that successfully saves against this effect is immune to it for 1 minute, after which it can be affected again.
