

Arcane Eye

Level 4 Divination (Wizard)

Casting Time: Action

Range: 30 feet

Components: V, S, M (a bit of bat fur)

Duration: **Concentration**, up to 1 hour

You create an **Invisible**, invulnerable eye within range that hovers for the duration. You mentally receive visual information from the eye, which can see in every direction. It also has **Darkvision** with a range of 30 feet.

As a Bonus Action, you can move the eye up to 30 feet in any direction. A solid barrier blocks the eye's movement, but the eye can pass through an opening as small as 1 inch in diameter.

Arcane Gate

Level 6 Conjuration (Sorcerer, Warlock, Wizard)

Casting Time: Action

Range: 500 feet

Components: V, S

Duration: **Concentration**, up to 10 minutes

You create linked teleportation portals. Choose two Large, unoccupied spaces on the ground that you can see, one space within range and the other one within 10 feet of you. A circular portal opens in each of those spaces and remains for the duration.

The portals are two-dimensional glowing rings filled with mist that blocks sight. They hover inches from the ground and are perpendicular to it.

A portal is open on only one side (you choose which). Anything entering the open side of a portal exits from the open side of the other portal as if the two were adjacent to each other. As a Bonus Action, you can change the facing of the open sides.

Arcane Lock

Level 2 Abjuration (Wizard)

Casting Time: Action

Range: Touch

Components: V, S, M (gold dust worth 25+ GP, which the spell consumes)

Duration: Until dispelled

You touch a closed door, window, gate, container, or hatch and magically lock it for the duration. This lock can't be unlocked by any nonmagical means. You and any creatures you designate when you cast the spell can open and close the object despite the lock. You can also set a password that, when spoken within 5 feet of the object, unlocks it for 1 minute.
