

Components: V, S, M (a shard of blue glass)

Duration: 1 hour

Protective magical frost surrounds you. You gain 5 **Temporary Hit Points**. If a creature hits you with a melee attack roll before the spell ends, the creature takes 5 Cold damage. The spell ends early if you have no Temporary Hit Points.

Using a Higher-Level Spell Slot. The Temporary Hit Points and the Cold damage both increase by 5 for each spell slot level above 1.

Arms of Hadar

Level 1 Conjuration (Warlock)

Casting Time: Action

Range: Self

Components: V, S

Duration: Instantaneous

Invoking Hadar, you cause tendrils to erupt from yourself. Each creature in a 10-foot **Emanation** originating from you makes a Strength saving throw. On a failed save, a target takes 2d6 Necrotic damage and can't take Reactions until the start of its next turn. On a successful save, a target takes half as much damage only.

Using a Higher-Level Spell Slot. The damage increases by 1d6 for each spell slot level above 1.

Astral Projection

Level 9 Necromancy (Cleric, Warlock, Wizard)

Casting Time: 1 hour

Range: 10 feet

Components: V, S, M (for each of the spell's targets, one jacinth worth 1,000+ GP and one silver bar worth 100+ GP, all of which the spell consumes)

Duration: Until dispelled

You and up to eight willing creatures within range project your astral bodies into the Astral Plane (the spell ends instantly if you are already on that plane). Each target's body is left behind in a state of suspended animation; it has the **Unconscious** condition, doesn't need food or air, and doesn't age.

A target's astral form resembles its body in almost every way, replicating its game statistics and possessions. The principal difference is the addition of a silvery cord that trails from between the shoulder blades of the astral form. The cord fades from view after 1 foot. If the cord is cut—which happens only when an effect states that it does so—the target's body and astral form both die.

A target's astral form can travel through the Astral Plane. The moment an astral form leaves that plane, the target's body and possessions travel along the silver cord, causing the target to re-enter its body on the new plane.

Any damage or other effects that apply to an astral form have no effect on the target's body and vice versa. If a target's body or astral form drops to 0 Hit Points, the spell ends for that target. The spell ends for all the targets if you take a **Magic** action to dismiss it.
