

Grovel. The target has the **Prone** condition and then ends its turn.

Halt. On its turn, the target doesn't move and takes no action or Bonus Action.

Using a Higher-Level Spell Slot. You can affect one additional creature for each spell slot level above 1.

Commune

Level 5 Divination (Cleric)

Casting Time: 1 minute or Ritual

Range: Self

Components: V, S, M (incense)

Duration: 1 minute

You contact a deity or a divine proxy and ask up to three questions that can be answered with yes or no. You must ask your questions before the spell ends. You receive a correct answer for each question.

Divine beings aren't necessarily omniscient, so you might receive "unclear" as an answer if a question pertains to information that lies beyond the deity's knowledge. In a case where a one-word answer could be misleading or contrary to the deity's interests, the DM might offer a short phrase as an answer instead.

If you cast the spell more than once before finishing a **Long Rest**, there is a cumulative 25 percent chance for each casting after the first that you get no answer.

Commune with Nature

Level 5 Divination (Druid, Ranger)

Casting Time: 1 minute or Ritual

Range: Self

Components: V, S

Duration: Instantaneous

You commune with nature spirits and gain knowledge of the surrounding area. In the outdoors, the spell gives you knowledge of the area within 3 miles of you. In caves and other natural underground settings, the radius is limited to 300 feet. The spell doesn't function where nature has been replaced by construction, such as in castles and settlements.

Choose three of the following facts; you learn those facts as they pertain to the spell's area:

Locations of settlements

Locations of portals to other planes of existence

Location of one Challenge Rating 10+ creature (DM's choice) that is a Celestial, an Elemental, a Fey, a Fiend, or an Undead

The most prevalent kind of plant, mineral, or Beast (you choose which to learn)

Locations of bodies of water

For example, you could determine the location of a powerful monster in the area, the locations of bodies of water, and the locations of any towns.
