

Casting Time: Action

Range: 150 feet

Components: V, S, M (a Melee or Ranged weapon worth at least 1 CP)

Duration: Instantaneous

You brandish the weapon used to cast the spell and choose a point within range. Hundreds of similar spectral weapons (or ammunition appropriate to the weapon) fall in a volley and then disappear. Each creature of your choice that you can see in a 40-foot-radius, 20-foot-high **Cylinder** centered on that point makes a Dexterity saving throw. A creature takes 8d8 Force damage on a failed save or half as much damage on a successful one.

Conjure Woodland Beings

Level 4 Conjuraton (Druid, Ranger)

Casting Time: Action

Range: Self

Components: V, S

Duration: **Concentration**, up to 10 minutes

You conjure nature spirits that flit around you in a 10-foot **Emanation** for the duration. Whenever the Emanation enters the space of a creature you can see and whenever a creature you can see enters the Emanation or ends its turn there, you can force that creature to make a Wisdom saving throw. The creature takes 5d8 Force damage on a failed save or half as much damage on a successful one. A creature makes this save only once per turn.

In addition, you can take the **Disengage** action as a Bonus Action for the spell's duration.

Using a Higher-Level Spell Slot. The damage increases by 1d8 for each spell slot level above 4.

Contact Other Plane

Level 5 Divination (Warlock, Wizard)

Casting Time: 1 minute or Ritual

Range: Self

Components: V

Duration: 1 minute

You mentally contact a demigod, the spirit of a long-dead sage, or some other knowledgeable entity from another plane. Contacting this otherworldly intelligence can break your mind. When you cast this spell, make a DC 15 Intelligence saving throw. On a successful save, you can ask the entity up to five questions. You must ask your questions before the spell ends. The DM answers each question with one word, such as "yes," "no," "maybe," "never," "irrelevant," or "unclear" (if the entity doesn't know the answer to the question). If a one-word answer would be misleading, the DM might instead offer a short phrase as an answer.

On a failed save, you take 6d6 Psychic damage and have the **Incapacitated** condition until you finish a **Long Rest**. A **Greater Restoration** spell cast on you ends this effect.
