

You have a telepathic link with the Charmed target while the two of you are on the same plane of existence. On your turn, you can use this link to issue commands to the target (no action required), such as "Attack that creature," "Move over there," or "Fetch that object." The target does its best to obey on its turn. If it completes an order and doesn't receive further direction from you, it acts and moves as it likes, focusing on protecting itself.

You can command the target to take a Reaction but must take your own Reaction to do so.

Using a Higher-Level Spell Slot. Your **Concentration** can last longer with a spell slot of level 6 (up to 10 minutes), 7 (up to 1 hour), or 8+ (up to 8 hours).

Dragon's Breath

Level 2 Transmutation (Sorcerer, Wizard)

Casting Time: Bonus Action

Range: Touch

Components: V, S, M (a hot pepper)

Duration: **Concentration**, up to 1 minute

You touch one willing creature, and choose Acid, Cold, Fire, Lightning, or Poison. Until the spell ends, the target can take a **Magic** action to exhale a 15-foot **Cone**. Each creature in that area makes a Dexterity saving throw, taking 3d6 damage of the chosen type on a failed save or half as much damage on a successful one.

Using a Higher-Level Spell Slot. The damage increases by 1d6 for each spell slot level above 2.

Drawmij's Instant Summons

Level 6 Conjuration (Wizard)

Casting Time: 1 minute or Ritual

Range: Touch

Components: V, S, M (a sapphire worth 1,000+ GP)

Duration: Until dispelled

You touch the sapphire used in the casting and an object weighing 10 pounds or less whose longest dimension is 6 feet or less. The spell leaves an **Invisible** mark on that object and invisibly inscribes the object's name on the sapphire. Each time you cast this spell, you must use a different sapphire.

Thereafter, you can take a **Magic** action to speak the object's name and crush the sapphire. The object instantly appears in your hand regardless of physical or planar distances, and the spell ends.

If another creature is holding or carrying the object, crushing the sapphire doesn't transport it, but instead you learn who that creature is and where that creature is currently located.

Dream

Level 5 Illusion (Bard, Warlock, Wizard)
