

# Spells (F)

## Fabricate

Level 4 Transmutation (Wizard)

**Casting Time:** 10 minutes

**Range:** 120 feet

**Components:** V, S

**Duration:** Instantaneous

You convert raw materials into products of the same material. For example, you can fabricate a wooden bridge from a clump of trees, a rope from a patch of hemp, or clothes from flax or wool.

Choose raw materials that you can see within range. You can fabricate a Large or smaller object (contained within a 10-foot **Cube** or eight connected 5-foot Cubes) given a sufficient quantity of material. If you're working with metal, stone, or another mineral substance, however, the fabricated object can be no larger than Medium (contained within a 5-foot Cube). The quality of any fabricated objects is based on the quality of the raw materials.

Creatures and magic items can't be created by this spell. You also can't use it to create items that require a high degree of skill—such as weapons and armor—unless you have proficiency with the type of Artisan's Tools used to craft such objects.

## Faerie Fire

Level 1 Evocation (Bard, Druid)

**Casting Time:** Action

**Range:** 60 feet

**Components:** V

**Duration:** **Concentration**, up to 1 minute

Objects in a 20-foot **Cube** within range are outlined in blue, green, or violet light (your choice). Each creature in the Cube is also outlined if it fails a Dexterity saving throw. For the duration, objects and affected creatures shed **Dim Light** in a 10-foot radius and can't benefit from the **Invisible** condition.

Attack rolls against an affected creature or object have **Advantage** if the attacker can see it.

## False Life

Level 1 Necromancy (Sorcerer, Wizard)

**Casting Time:** Action

**Range:** Self

**Components:** V, S, M (a drop of alcohol)

**Duration:** Instantaneous
