

Range: 120 feet

Components: V, S

Duration: **Concentration**, up to 1 hour

You create a 20-foot-radius **Sphere** of fog centered on a point within range. The Sphere is **Heavily Obscured**. It lasts for the duration or until a strong wind (such as one created by **Gust of Wind**) disperses it.

Using a Higher-Level Spell Slot. The fog's radius increases by 20 feet for each spell slot level above 1.

Forbiddance

Level 6 Abjuration (Cleric)

Casting Time: 10 minutes or Ritual

Range: Touch

Components: V, S, M (ruby dust worth 1,000+ GP)

Duration: 1 day

You create a ward against magical travel that protects up to 40,000 square feet of floor space to a height of 30 feet above the floor. For the duration, creatures can't teleport into the area or use portals, such as those created by the **Gate** spell, to enter the area. The spell proofs the area against planar travel, and therefore prevents creatures from accessing the area by way of the Astral Plane, the Ethereal Plane, the Feywild, the Shadowfell, or the **Plane Shift** spell.

In addition, the spell damages types of creatures that you choose when you cast it. Choose one or more of the following: Aberrations, Celestials, Elementals, Fey, Fiends, and Undead. When a creature of a chosen type enters the spell's area for the first time on a turn or ends its turn there, the creature takes 5d10 Radiant or Necrotic damage (your choice when you cast this spell).

You can designate a password when you cast the spell. A creature that speaks the password as it enters the area takes no damage from the spell.

The spell's area can't overlap with the area of another Forbiddance spell. If you cast Forbiddance every day for 30 days in the same location, the spell lasts until it is dispelled, and the Material components are consumed on the last casting.

Forcecage

Level 7 Evocation (Bard, Warlock, Wizard)

Casting Time: Action

Range: 100 feet

Components: V, S, M (ruby dust worth 1,500+ GP, which the spell consumes)

Duration: **Concentration**, up to 1 hour

An immobile, **Invisible**, **Cube**-shaped prison composed of magical force springs into existence around an area you choose within range. The prison can be a cage or a solid box, as you choose.

A prison in the shape of a cage can be up to 20 feet on a side and is made from 1/2-inch diameter bars spaced 1/2 inch apart. A prison in the shape of a box can be up to 10 feet on a side, creating a solid barrier that prevents any matter from passing through it and blocking any spells cast into or out from the area.
