

Components: V, S, M (a pearl worth 100+ GP)

Duration: Instantaneous

You touch an object throughout the spell's casting. If the object is a magic item or some other magical object, you learn its properties and how to use them, whether it requires **Attunement**, and how many charges it has, if any. You learn whether any ongoing spells are affecting the item and what they are. If the item was created by a spell, you learn that spell's name.

If you instead touch a creature throughout the casting, you learn which ongoing spells, if any, are currently affecting it.

Illusory Script

Level 1 Illusion (Bard, Warlock, Wizard)

Casting Time: 1 minute or Ritual

Range: Touch

Components: S, M (ink worth 10+ GP, which the spell consumes)

Duration: 10 days

You write on parchment, paper, or another suitable material and imbue it with an illusion that lasts for the duration. To you and any creatures you designate when you cast the spell, the writing appears normal, seems to be written in your hand, and conveys whatever meaning you intended when you wrote the text. To all others, the writing appears as if it were written in an unknown or magical script that is unintelligible. Alternatively, the illusion can alter the meaning, handwriting, and language of the text, though the language must be one you know.

If the spell is dispelled, the original script and the illusion both disappear.

A creature that has **Truesight** can read the hidden message.

Imprisonment

Level 9 Abjuration (Warlock, Wizard)

Casting Time: 1 minute

Range: 30 feet

Components: V, S, M (a statuette of the target worth 5,000+ GP)

Duration: Until dispelled

You create a magical restraint to hold a creature that you can see within range. The target must make a Wisdom saving throw. On a successful save, the target is unaffected, and it is immune to this spell for the next 24 hours. On a failed save, the target is imprisoned. While imprisoned, the target doesn't need to breathe, eat, or drink, and it doesn't age. Divination spells can't locate or perceive the imprisoned target, and the target can't teleport.

Until the spell ends, the target is also affected by one of the following effects of your choice:

Burial. The target is entombed beneath the earth in a hollow globe of magical force that is just large enough to contain the target. Nothing can pass into or out of the globe.

Chaining. Chains firmly rooted in the ground hold the target in place. The target has the **Restrained** condition and can't be moved by any means.
