

Hedged Prison. The target is trapped in a demiplane that is warded against teleportation and planar travel. The demiplane is your choice of a labyrinth, a cage, a tower, or the like.

Minimus Containment. The target becomes 1 inch tall and is trapped inside an indestructible gemstone or a similar object. Light can pass through the gemstone (allowing the target to see out and other creatures to see in), but nothing else can pass through by any means.

Slumber. The target has the **Unconscious** condition and can't be awoken.

Ending the Spell. When you cast the spell, specify a trigger that will end it. The trigger can be as simple or as elaborate as you choose, but the DM must agree that it has a high likelihood of happening within the next decade. The trigger must be an observable action, such as someone making a particular offering at the temple of your god, saving your true love, or defeating a specific monster.

A **Dispel Magic** spell can end the spell only if it is cast with a level 9 spell slot, targeting either the prison or the component used to create it.

Incendiary Cloud

Level 8 Conjuration (Druid, Sorcerer, Wizard)

Casting Time: Action

Range: 150 feet

Components: V, S

Duration: **Concentration**, up to 1 minute

A swirling cloud of embers and smoke fills a 20-foot-radius **Sphere** centered on a point within range. The cloud's area is **Heavily Obscured**. It lasts for the duration or until a strong wind (like that created by **Gust of Wind**) disperses it.

When the cloud appears, each creature in it makes a Dexterity saving throw, taking 10d8 Fire damage on a failed save or half as much damage on a successful one. A creature must also make this save when the **Sphere** moves into its space and when it enters the Sphere or ends its turn there. A creature makes this save only once per turn.

The cloud moves 10 feet away from you in a direction you choose at the start of each of your turns.

Inflict Wounds

Level 1 Necromancy (Cleric)

Casting Time: Action

Range: Touch

Components: V, S

Duration: Instantaneous

A creature you touch makes a Constitution saving throw, taking 2d10 Necrotic damage on a failed save or half as much damage on a successful one.

Using a Higher-Level Spell Slot. The damage increases by 1d10 for each spell slot level above 1.
