

Briefly surrounded by silvery mist, you teleport up to 30 feet to an unoccupied space you can see.

Modify Memory

Level 5 Enchantment (Bard, Wizard)

Casting Time: Action

Range: 30 feet

Components: V, S

Duration: **Concentration**, up to 1 minute

You attempt to reshape another creature's memories. One creature that you can see within range makes a Wisdom saving throw. If you are fighting the creature, it has **Advantage** on the save. On a failed save, the target has the **Charmed** condition for the duration. While Charmed in this way, the target also has the **Incapacitated** condition and is unaware of its surroundings, though it can hear you. If it takes any damage or is targeted by another spell, this spell ends, and no memories are modified.

While this charm lasts, you can affect the target's memory of an event that it experienced within the last 24 hours and that lasted no more than 10 minutes. You can permanently eliminate all memory of the event, allow the target to recall the event with perfect clarity, change its memory of the event's details, or create a memory of some other event.

You must speak to the target to describe how its memories are affected, and it must be able to understand your language for the modified memories to take root. Its mind fills in any gaps in the details of your description. If the spell ends before you finish describing the modified memories, the creature's memory isn't altered. Otherwise, the modified memories take hold when the spell ends.

A modified memory doesn't necessarily affect how a creature behaves, particularly if the memory contradicts the creature's natural inclinations, alignment, or beliefs. An illogical modified memory, such as a false memory of how much the creature enjoyed swimming in acid, is dismissed as a bad dream. The DM might deem a modified memory too nonsensical to affect a creature.

A **Remove Curse** or **Greater Restoration** spell cast on the target restores the creature's true memory.

Using a Higher-Level Spell Slot. You can alter the target's memories of an event that took place up to 7 days ago (level 6 spell slot), 30 days ago (level 7 spell slot), 365 days ago (level 8 spell slot), or any time in the creature's past (level 9 spell slot).

Moonbeam

Level 2 Evocation (Druid)

Casting Time: Action

Range: 120 feet

Components: V, S, M (a moonseed leaf)

Duration: **Concentration**, up to 1 minute

A silvery beam of pale light shines down in a 5-foot-radius, 40-foot-high **Cylinder** centered on a point within range. Until the spell ends, **Dim Light** fills the Cylinder, and you can take a **Magic** action on later turns to move the Cylinder up to 60 feet.

When the Cylinder appears, each creature in it makes a Constitution saving throw. On a failed save, a creature takes 2d10 Radiant damage, and if the creature is **shape-shifted** (as a result of the **Polymorph** spell, for example), it reverts to its true form and can't shape-shift until it leaves the Cylinder. On a successful save, a creature takes half as much damage only. A creature also makes
