

Polymorph

Level 4 Transmutation (Bard, Druid, Sorcerer, Wizard)

Casting Time: Action

Range: 60 feet

Components: V, S, M (a caterpillar cocoon)

Duration: **Concentration**, up to 1 hour

You attempt to transform a creature that you can see within range into a Beast. The target must succeed on a Wisdom saving throw or **shape-shift** into Beast form for the duration. That form can be any Beast you choose that has a Challenge Rating equal to or less than the target's (or the target's level if it doesn't have a Challenge Rating). The target's game statistics are replaced by the stat block of the chosen Beast, but the target retains its alignment, personality, creature type, Hit Points, and Hit Point Dice.

The target gains a number of **Temporary Hit Points** equal to the Hit Points of the Beast form. The spell ends early on the target if it has no Temporary Hit Points left.

The target is limited in the actions it can perform by the anatomy of its new form, and it can't speak or cast spells.

The target's gear melds into the new form. The creature can't use or otherwise benefit from any of that equipment.

Power Word Fortify

Level 7 Enchantment (Bard, Cleric)

Casting Time: Action

Range: 60 feet

Component: V

Duration: Instantaneous

You fortify up to six creatures you can see within range. The spell bestows 120 **Temporary Hit Points**, which you divide among the spell's recipients.

Power Word Heal

Level 9 Enchantment (Bard, Cleric)

Casting Time: Action

Range: 60 feet

Component: V

Duration: Instantaneous

A wave of healing energy washes over one creature you can see within range. The target regains all its Hit Points. If the creature has the **Charmed**, **Frightened**, **Paralyzed**, **Poisoned**, or **Stunned** condition, the condition ends. If the creature has the **Prone** condition, it can use its Reaction to stand up.
