

Resurrection

Level 7 Necromancy (Bard, Cleric)

Casting Time: 1 hour

Range: Touch

Components: V, S, M (a diamond worth 1,000+ GP, which the spell consumes)

Duration: Instantaneous

With a touch, you revive a dead creature that has been dead for no more than a century, didn't die of old age, and wasn't Undead when it died.

The creature returns to life with all its Hit Points. This spell also neutralizes any poisons that affected the creature at the time of death. This spell closes all mortal wounds and restores any missing body parts.

Coming back from the dead is an ordeal. The target takes a -4 penalty to **D20 Tests**. Every time the target finishes a **Long Rest**, the penalty is reduced by 1 until it becomes 0.

Casting this spell to revive a creature that has been dead for 365 days or longer taxes you. Until you finish a Long Rest, you can't cast spells again, and you have **Disadvantage** on D20 Tests.

Reverse Gravity

Level 7 Transmutation (Druid, Sorcerer, Wizard)

Casting Time: Action

Range: 100 feet

Components: V, S, M (a lodestone and iron filings)

Duration: **Concentration**, up to 1 minute

This spell reverses gravity in a 50-foot-radius, 100-foot high **Cylinder** centered on a point within range. All creatures and objects in that area that aren't anchored to the ground fall upward and reach the top of the Cylinder. A creature can make a Dexterity saving throw to grab a fixed object it can reach, thus avoiding the fall upward.

If a ceiling or an anchored object is encountered in this upward fall, creatures and objects strike it just as they would during a downward fall. If an affected creature or object reaches the Cylinder's top without striking anything, it hovers there for the duration. When the spell ends, affected objects and creatures fall downward.

Revivify

Level 3 Necromancy (Cleric, Druid, Paladin, Ranger)

Casting Time: Action

Range: Touch

Components: V, S, M (a diamond worth 300+ GP, which the spell consumes)

Duration: Instantaneous
