

Simulacrum

Level 7 Illusion (Wizard)

Casting Time: 12 hours

Range: Touch

Components: V, S, M (powdered ruby worth 1,500+ GP, which the spell consumes)

Duration: Until dispelled

You create a simulacrum of one Beast or Humanoid that is within 10 feet of you for the entire casting of the spell. You finish the casting by touching both the creature and a pile of ice or snow that is the same size as that creature, and the pile turns into the simulacrum, which is a creature. It uses the game statistics of the original creature at the time of casting, except it is a Construct, its Hit Point maximum is half as much, and it can't cast this spell.

The simulacrum is **Friendly** to you and creatures you designate. It obeys your commands and acts on your turn in combat. The simulacrum can't gain levels, and it can't take Short or **Long Rests**.

If the simulacrum takes damage, the only way to restore its Hit Points is to repair it as you take a Long Rest, during which you expend components worth 100 GP per Hit Point restored. The simulacrum must stay within 5 feet of you for the repair.

The simulacrum lasts until it drops to 0 Hit Points, at which point it reverts to snow and melts away. If you cast this spell again, any simulacrum you created with this spell is instantly destroyed.

Sleep

Level 1 Enchantment (Bard, Sorcerer, Wizard)

Casting Time: Action

Range: 60 feet

Components: V, S, M (a pinch of sand or rose petals)

Duration: **Concentration**, up to 1 minute

Each creature of your choice in a 5-foot-radius **Sphere** centered on a point within range must succeed on a Wisdom saving throw or have the **Incapacitated** condition until the end of its next turn, at which point it must repeat the save. If the target fails the second save, the target has the **Unconscious** condition for the duration. The spell ends on a target if it takes damage or someone within 5 feet of it takes an action to shake it out of the spell's effect.

Creatures that don't sleep, such as elves, or that have Immunity to the **Exhaustion** condition automatically succeed on saves against this spell.

Sleet Storm

Level 3 Conjuration (Druid, Sorcerer, Wizard)

Casting Time: Action

Range: 150 feet

Components: V, S, M (a miniature umbrella)
