

Telekinesis

Level 5 Transmutation (Sorcerer, Wizard)

Casting Time: Action

Range: 60 feet

Components: V, S

Duration: **Concentration**, up to 10 minutes

You gain the ability to move or manipulate creatures or objects by thought. When you cast the spell and as a **Magic** action on your later turns before the spell ends, you can exert your will on one creature or object that you can see within range, causing the appropriate effect below. You can affect the same target round after round or choose a new one at any time. If you switch targets, the prior target is no longer affected by the spell.

Creature. You can try to move a Huge or smaller creature. The target must succeed on a Strength saving throw, or you move it up to 30 feet in any direction within the spell's range. Until the end of your next turn, the creature has the **Restrained** condition, and if you lift it into the air, it is suspended there. It falls at the end of your next turn unless you use this option on it again and it fails the save.

Object. You can try to move a Huge or smaller object. If the object isn't being worn or carried, you automatically move it up to 30 feet in any direction within the spell's range.

If the object is worn or carried by a creature, that creature must succeed on a Strength saving throw, or you pull the object away and move it up to 30 feet in any direction within the spell's range.

You can exert fine control on objects with your telekinetic grip, such as manipulating a simple tool, opening a door or a container, stowing or retrieving an item from an open container, or pouring the contents from a vial.

Telepathy

Level 8 Divination (Wizard)

Casting Time: Action

Range: Unlimited

Components: V, S, M (a pair of linked silver rings)

Duration: 24 hours

You create a telepathic link between yourself and a willing creature with which you are familiar. The creature can be anywhere on the same plane of existence as you. The spell ends if you or the target are no longer on the same plane.

Until the spell ends, you and the target can instantly share words, images, sounds, and other sensory messages with each other through the link, and the target recognizes you as the creature it is communicating with. The spell enables a creature to understand the meaning of your words and any sensory messages you send to it.
