

Casting Time: Action

Range: 120 feet

Components: V, S, M (a fan and a feather)

Duration: **Concentration**, up to 1 minute

A wall of strong wind rises from the ground at a point you choose within range. You can make the wall up to 50 feet long, 15 feet high, and 1 foot thick. You can shape the wall in any way you choose so long as it makes one continuous path along the ground. The wall lasts for the duration.

When the wall appears, each creature in its area makes a Strength saving throw, taking 4d8 Bludgeoning damage on a failed save or half as much damage on a successful one.

The strong wind keeps fog, smoke, and other gases at bay. Small or smaller flying creatures or objects can't pass through the wall. Loose, lightweight materials brought into the wall fly upward. Arrows, bolts, and other ordinary projectiles launched at targets behind the wall are deflected upward and miss automatically. Boulders hurled by Giants or siege engines, and similar projectiles, are unaffected. Creatures in gaseous form can't pass through it.

Wish

Level 9 Conjuration (Sorcerer, Wizard)

Casting Time: Action

Range: Self

Components: V

Duration: Instantaneous

Wish is the mightiest spell a mortal can cast. By simply speaking aloud, you can alter reality itself.

The basic use of this spell is to duplicate any other spell of level 8 or lower. If you use it this way, you don't need to meet any requirements to cast that spell, including costly components. The spell simply takes effect.

Alternatively, you can create one of the following effects of your choice:

Object Creation. You create one object of up to 25,000 GP in value that isn't a magic item. The object can be no more than 300 feet in any dimension, and it appears in an unoccupied space that you can see on the ground.

Instant Health. You allow yourself and up to twenty creatures that you can see to regain all Hit Points, and you end all effects on them listed in the **Greater Restoration** spell.

Resistance. You grant up to ten creatures that you can see Resistance to one damage type that you choose. This Resistance is permanent.

Spell Immunity. You grant up to ten creatures you can see immunity to a single spell or other magical effect for 8 hours.

Sudden Learning. You replace one of your feats with another feat for which you are eligible. You lose all the benefits of the old feat and gain the benefits of the new one. You can't replace a feat that is a prerequisite for any of your other feats or features.

Roll Redo. You undo a single recent event by forcing a reroll of any die roll made within the last round (including your last turn). Reality reshapes itself to accommodate the new result. For example, a Wish spell could undo an ally's failed saving throw or a foe's Critical Hit. You can force the reroll to be made with **Advantage** or **Disadvantage**, and you choose whether to use the reroll or the original roll.
